Thank you for considering partnering with the T.H. Rogers School Parent Teacher Organization. Our non-profit proudly supports Houston ISD’s top-ranked elementary and middle school for 2019-20! We are a 501(c)3 and our tax ID is 76-0230986.

We know you value giving back to the community! We offer many ways to gain publicity and good will among our families, while supporting a unique and high-performing public school that serves about 1,000 gifted-and-talented students, deaf children and students with multiple impairments in the Galleria area.

We value in-kind and cash donations, including cash back from spirit events hosted by your business. In-kind gifts may include food, gift cards, or possibly volunteer hours. Please provide an invoice detailing the value of in-kind donations. Gifts can be made through the partnership link at www.throgers.org. Even though school is meeting virtually to start the 2020-21 year, the needs of our school community remain and may even be greater in some ways.

Thank you for your support. We will happily consider any incentives that help meet your needs and goals. We consider our community partners FIRST when planning activities for our families and teachers. We invest heavily in community building and teacher appreciation activities. Our annual incentive levels for our community partners include:

<table>
<thead>
<tr>
<th>Level</th>
<th>Value</th>
<th>Benefits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Platinum</td>
<td>$2,500+</td>
<td>Display your banner on our campus and send FOUR targeted email messages to our families with special promotions and coupons during the 2020-21 academic year; AND</td>
</tr>
<tr>

T.H. Rogers is a truly unique and special campus in the Houston ISD's portfolio of magnet schools.

The preschool- through high-school campus in the Galleria area is a public school that draws 1,000 students from all across the city. Most enroll in the Vanguard magnet program for K-8 students identified as "gifted-and-talented." Hundreds apply every year to the lottery for this prestigious program, which earned the top ranking in 2019 among both middle and elementary schools in Houston ISD.

Other T.H. Rogers students attend the campus' regional program for the deaf and hard-of-hearing. These students are linguistically diverse and the program supports the family's communication choice, stressing receptive and expressive English language development, regardless of the chosen modes. At T.H. Rogers, these students build community among empathetic classmates and skilled teachers. Almost all T.H. Rogers students learn American Sign Language to help ensure some communication across programs. The school features a "signing" choir, in addition to its amazing orchestra program.

More than two dozen others attend a program for students with multiple and severe disabilities. Students in this program span ages 3 to 22. An amazing team of teachers and aides cater to these students' every need.

The PTO supports all of our wonderful students with training, technology and supplies as needed. We fund our Special Olympians, as well as academic competitors. We champion inclusion on this amazing campus.

According to the Texas Education Agency, T.H. Rogers' enrollment includes:

- 975 students
- 14% African American; 16% white; 20% Hispanic; 46% Asian
- 30% low income
- 15% special education

We would love to tell you more about our campus and the awesome accomplishments of our students, teachers, and staff. Email us at throgerspto@gmail.com to discuss how a community partnership would benefit your company! Thank you for your time and consideration!
